# ELEMENTARY CAMPS

Entering 1st-5th Grades

## Art Adventures

For Young Artists That Wants To Do Everything  
Draw, paint, sculpt, print, and much more. Each week you will have the opportunity to discover a variety of materials and solve creative challenges to make your artistic masterpieces. Different projects every session. Art Exhibition for family and friends every Friday!

June 1-5 .....	1 PM - 4 PM
June 8-12.....	9 AM - 12 PM
June 8-12.....	1 PM - 4 PM
June 15-19.....	1 PM - 4 PM
June 22-26.....	9 AM - 12 PM
July 6-10.....	1 PM - 4 PM
July 13-17.....	9 AM - 12 PM
July 20-24.....	1 PM - 4 PM
July 27-31.....	9 AM - 12 PM
August 3-7 .....	9 AM - 12 PM
August 3-7.....	1 PM - 4 PM

**The Hive by the Bee Cave Arts Foundation** becomes a classroom and art studio for young artists to focus on creative and fun ways to explore the world of art. The emphasis will be on experimentation, creative thinking, and problem-solving skills. Students will think, plan, play, create, reflect and share their creations at an art exhibition on Fridays. We look forward to helping the artist in your child blossom and grow.

## Half Day Camps

9am-12noon or 1pm-4pm  
\$195 (all art supplies provided)

**If you would like your camper to stay for the full day you can sign up for 2 half day camps - one in the morning and another for the afternoon**

Students should bring their own snack and water bottle.  
Full day students should also bring a lunch.  
Students should wear clothes that are appropriate for making art which is often messy.

## 2 Ways to Register

Online at [www.beehivearts.org](http://www.beehivearts.org) with link to Eventbrite (fee charged)  
Walk in at The Hive - Open Wed - Sat, 1-6 pm  
Located in the Hill Country Galleria across the street from Barnes and Noble

## Refunds

Fee for withdrawing a registered student from a class is \$25.  
Written notice of withdrawal must be received no later than one week prior to first day of class. No refunds will be made for withdrawal after the specified deadline.

# ELEMENTARY INTENSIVE ART CAMPS

## Digital Art

### Film & Digital Art

Johnny Villarreal/The Edge of Imagination Station  
Use digital tablets, laptops and Adobe products to make digital art and movies! Write your script, make props, film your scenes and make your mark! Technology is provided but you are welcome to bring your own tablet. Tablets should be able to run Adobe apps Sketch, Photoshop Mix, Premiere Rush and/or Autodesk SketchBook. Please download and install. A Digital Pencil or a stylus is recommended.

June 1-5 ..... 9 AM – 12 Noon

June 15-19 ..... 9 AM – 12 Noon

July 27-31 ..... 9 AM – 12 Noon

### Stop Motion & Digital Art

Johnny Villarreal/The Edge of Imagination Station  
Produce stop motion animated short films and learn drawing techniques using digital tablets, apps, and Adobe Products. Technology is provided, but you are welcome to bring your own tablets. Tablets should be able to run Adobe apps Sketch, Photoshop Mix, Premiere Rush and/or Autodesk SketchBook. Please download and install. A Digital Pencil or a stylus is recommended.

June 8-12 ..... 9 AM – 12 Noon

June 8-12 ..... 1 PM – 4PM

July 13-17 ..... 1 PM – 4PM

## Drawing & Painting

### Painting

Traci McClead

Learn lots of different techniques to paint your own masterpieces in acrylic medium. Discover your own style and create a new and wonderful painting every day.

July 27-31 ..... 1 PM – 4 PM

### Drawing

Adriana Pena

Learn proportion, composition, shading and other basic techniques of drawing. Take simple shapes and turning them into objects, favorite animals and cartoon characters that come alive. Draw with charcoal pencils, 2b pencils, and Prismacolor pencils.

July 6-10 ..... 9 AM – 12 PM

### Mural Painting

J. Muzacz

Create a collaborative largescale painting. Brainstorm, sketch ideas and share with the group. Once the final design is developed the painting will begin. Learn how to enlarge drawings, mix unique colors and use a variety of painting techniques to create the mural.

June 22-26 ..... 1 PM -4PM

## Mixed Media

### Weaving

Shawna Martin

In this class students will warp a rigid loom, learn to weave rows, shapes, and make hanging fringe. Use yarn, ribbon, and other fibers in a variety of colors to create a woven masterpiece! Pre-requisite: Students must be able to independently tie a basic square knot.

June 1-5 ..... 1 PM – 4 PM

## Puppets

Rebecca Faubion

Construct original puppets that are sculpted with papier mache and painted with acrylic colors. Create distinctive clothing, hair and more to make your puppet come to life. Then design and construct backgrounds and props for a Puppet Show on Friday.

August 3-7..... 9 AM – 12 PM

## Sculpture

### Papier Mache Creatures + Bookmaking

Kristen Blauvelt

Sculpt an imaginative creature using newspaper, papier mache and acrylic paint to decorate. Then design, illustrate and build your own children’s book to go along with the character you have created.

June 1-5 ..... 9 AM – 12 PM

## Sculpture Creations

Beatrice Baldwin

Make three fantastic sculptures. Start with Wonderful Wooden Weirdos, and then create wire armature figures in athletic poses to paint and embellish. Wrap up the week with Cool Paper Sculptures and learn how to miraculously turn plain old paper into very fun incredible art.

July 20-24 ..... 9 AM – 12 PM

# MIDDLE SCHOOL

Entering 6th – 9th Grade

## Giant Sculptures

Robin Richey Garcia

Learn how to build a large-scale papier mache sculpture using chicken wire as an armature. Students will be guided through planning and creating of the armature, filling out with tissue paper, then papier mache, and finishing with acrylic paint and sealer.

June 15-19 ..... 9 AM – 12 PM

## Film & Digital Art

Johnny Villarreal/The Edge of Imagination Station

Use digital tablets, laptops and Adobe products to make digital art and movies! Write your script, make props, film your scenes and make your mark! Technology is provided but you are welcome to bring your own tablet. Tablets should be able to run Adobe apps Sketch, Photoshop Mix, Premiere Rush and/or Autodesk SketchBook. Please download and install. A Digital Pencil or a stylus is recommended.

June 15-19 ..... 1 PM – 4 PM

July 27-31 ..... 1 PM – 4 PM

## Printmaking - Reduction Linocut

Aaron Forgey

Take printmaking beyond one color. Learn about dynamic composition and linoleum printmaking techniques. Learn how to print multiple layers while developing a small body of work as you learn about production standards and a touch of color theory.

June 22-26 ..... 9 AM – 12 PM

## Needle Felted Creatures + Bookmaking

Kristen Blauvelt

Form your own unique fiber creature using felt and needles to construct it. Then design, illustrate and build a children’s book to go along with the character you have created.

July 6-10 ..... 9 AM – 12 PM

## Drawing & Painting

Maura Schaffer

Learn proportion, composition, shading and other basic techniques of drawing and a variety of painting techniques. Then you can develop your own style to create wonderful masterpieces with acrylic medium.

July 6-10 ..... 1 PM – 4 PM

## Stop Motion & Digital Art

Johnny Villarreal/The Edge of Imagination Station

Produce stop motion animated short films and learn drawing techniques using digital tablets, apps, and Adobe Products. Technology is provided, but you are welcome to bring your own tablet. Tablets should be able to run Adobe apps Sketch, Photoshop Mix, Premiere Rush and/or Autodesk SketchBook. Please download and install. A Digital Pencil or a stylus is recommended.

July 13-17 ..... 9 AM-12 Noon

## Mural Painting

J. Muzacz

Create a collaborative largescale painting. Brainstorm, sketch ideas and share with the group. Once the final design is developed the painting will begin. Learn how to enlarge drawings, mix unique colors and use a variety of painting techniques to create the mural.

July 13-17 ..... 1 PM – 4 PM

## Papier Mache Sculpture

Aaron Forgey

This course will offer the student a variety of options with material manipulation to create a complex original papier mache creation. Students will brainstorm unique solutions, learn how to turn a 2d sketch into a 3d object and experience hands on art making.

July 20-24..... 9 AM – 12 Noon

# HIGH SCHOOL

Entering 9-12th Grades

## Portfolio Prep

Amber Forgey

Are you a serious art student? Do you dream of art school and a career as an artist? No matter what your skill level is currently at, this class will help you elevate your artistic skills and help you begin to prepare a portfolio that will leave you feeling more confident as an artist. Students will practice drawing from observation and learn about fast art making tricks. Students will hear directly from an AP art teacher and 2 art school graduates about what it takes to prepare yourself and your portfolio for the most advanced art classes at the high school level.

June 22-26 ..... 1 PM – 4 PM

## Winning Art Competitions

Amber Forgey

Prepare to win Gold at your next art competition! Whether it's TAPPS, VASE, Jr. VASE or Scholastic, we know what it takes for students to be competitive in the arts. Students will brainstorm creative solutions that will make them stand out in a crowd of talented artist. They will learn how to develop their ideas and set up dynamic photo shoots. Students will leave with a contour line drawing ready to be rendered and some really great tricks up their sleeve to help them turn their art into a winning formula.

July 20-24..... 1 PM – 4 PM
