I have spent most of my artistic path focused on painting, specifically with acrylics. Although, that doesn't limit my interest and excitement for other art materials. I've also enjoyed learning intricacies of water color and oil, as well as crafting and woodworking with my husband and hope to broaden my passion through these different mediums.

My inspiration is drawn from natural beauty which of course is in the eye of the beholder. So it's been wonderful to see how this changes with each season of my life. I enjoy painting and creating because it's limitless. I will never conquer its boundaries and for that I am truly thankful that God has given me such a love for art.
