

Melanie Hickerson

512 459-9539
mellypaint@gmail.com
<http://melaniehickerson.com/>

Melanie Hickerson paints not what was previously known but gives recognition. Her paintings are well constructed objects of heart, intellect, and skill. They are metaphors in paint for breath and life.

There is a love of good craft and well made artifacts of a discipline and of an ambition. The palette is high key like the intense light of the Southwest where she has lived most of her life. Melanie makes her voice heard in her imagery as well as her color.
