

Angela Grasse

512-810-8570
afec@att.net

Angela is a self taught artist who lives in Lakeway and works in Austin. She enjoys working with acrylics and is drawn to abstract techniques, feeling they are less restrictive and more open to the viewers interpretation. Her love of water and nature are reflected in her paintings. She truly enjoys putting the paint on the canvas and seeing where it wants to go! Angela believes that art should stimulate conversation, thought, and bring joy wherever it resides!
